# WELCOME MESSAGE

"First of all, I want to extend a heartfelt thank you to all the players, parents, and coaches for taking the time to join us for our 2025 Winter Showcase. We truly appreciate those who have travelled from near and far, and we hope today's event provides an exciting and memorable experience for everyone, whether you're here in person or tuning in online.

We're thrilled to be hosting this year's showcase at the newly renovated Lutterworth Athletic facility. With so many of you travelling from across the country, it was important for us to choose a venue that is both accessible and welcoming.

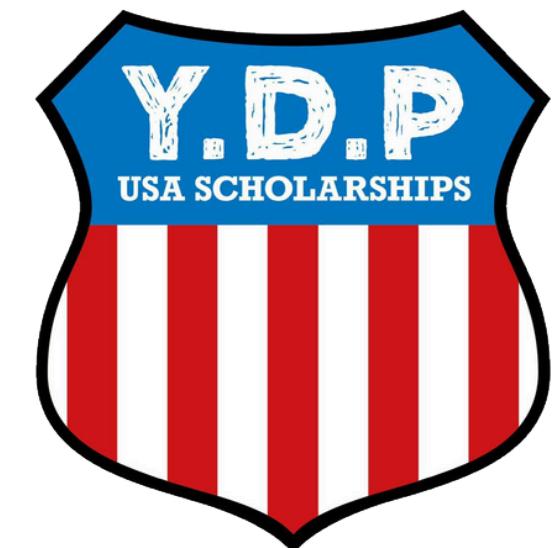

This marks the fifth showcase I've had the privilege of organising, and I genuinely believe it will be our best yet. Each player taking part today has been carefully selected by the YDP USA team to ensure we deliver the highest possible standard of football throughout the day.

You can find more details about every player featured within this booklet.

Enjoy the showcase, and I look forward to seeing many of you in the clubhouse afterwards."

I am strong in the air, both defensively and offensively. I can clear crosses and challenge for headers with authority, as well as score goals from set pieces with 8 goals last season. I am able to use my pace to recover and use my intelligence to position myself in areas that I can minimise any danger.
