WELCOME MESSAGE

Firstly, I would like to say a huge thank you to the players, parents and coaches for taking the time to watch our 2023 winter showcase event. I appreciate that people have travelled from far and wide to be here so I hope that we can put on a show for all watching in live attendance or online.

We're delighted to be able to host our showcase this year at the newly renovated Lutterworth Athletic facility, with people travelling from all over we wanted somewhere that could be accessible for all.

All the players playing in today's showcase have been specially selected by YDP USA team members to ensure we deliver a high quality level of football throughout the day. You can see more information on each player involved throughout this booklet.

Enjoy the day and I will hopefully catch you in the clubhouse after.

We also have another professional filming company coming in who will be creating a short video of the day which will include; interviews with parents, players, coaches and YDP USA staff. Along with short clips of the day in general.

TEAM INFORMATION

Please note that the player information may be subject to change in case of any last minute drop outs. We will look to have this information as accurate as we can right up until the start of the day, due to these booklets having to be printed in advance of the day there is no way we can guarantee 100% accuracy.

To refer to a player, please look at the teamsheets on the next three pages and note their team colours and number. There will be team sheets available on the day.

Some of these players may also have their highlight video on our YouTube channel, simply go over to our YouTube channel "YDP USA Scholarships" and head to videos to see if that player has a highlight video uploaded.

The players DOB are in the US format of MM/DD/YYYY

PERSONAL PROFILE

I am a very brave goalkeeper who loves putting myself forward to collect the ball wherever I can. I also have courage to help my team regain possession by playing out from the back comfortably.

I have good work rate and I have good decisions when distributing the ball to either create chances for goal or put the ball into a safe area. My strongest aspects are probably crosses, 1v1 and big saves.

In my career I have played in all types of different levels. Throughout playing on these different levels I have always been a leader and made sure my voice is heard on the pitch so I can give information to team mates from the bottom of the pitch.

PERSONAL PROFILE

As a player / winger my style is very much attacking but I also can adapt to a defending player. I am always looking for the ball through, I use my fast pace to consistently beat defenders and excel by playing from balls knocked over the top down the line, I either cross the ball with my left foot or cut back on my right.

I work hard off the ball as well as on and make sure to track back to win the ball back and stop the opponents attack. I like to think I read the game well, I hold up well against defenders and stay strong in tackles.

I am an extrovert on the pitch and take up a leader role naturally, I am very passionate i use this to encourage my teammates.

As much as everyone loves to score I will majority of the time decide to aim for the assist or someone who has a better shot on goal however if I see my chance I will take it.

PERSONAL PROFILE

Having started playing at the age of 5 I am most experienced playing in centre midfield where I am comfortable both attacking and defending, based on our formation and the opposition we are up against. I think some of my strengths are, my speed, being hardworking off the ball and regaining possession if we lose it. I also can create creative plays through simple passes wide and forward from the middle. Against tougher teams I am comfortable playing quick two touch short passes and working as a unit with my team to beat an opposition. I think something I need to work on is getting stronger with my left foot. I love all aspects of the game, I am qualified coach, taking 2 90-minute sessions per week with Cambridge United and when I'm not playing I also referee.
